

### **For Local Groups:**

[www.lymenet.org/SupportGroups/UnitedStates](http://www.lymenet.org/SupportGroups/UnitedStates)

This site allows one to search by state for a support group in their community.

[www.lymeinfo.net/support.html](http://www.lymeinfo.net/support.html)

This site features support groups that each have a website. Some of these are local groups, and others are online groups.

[lymedisease.meetup.com](http://lymedisease.meetup.com)

This site is for finding a local meet up group, where one can meet with local people affected by Lyme disease for discussion, information, and support.

### **Online (Virtual) Support Groups:**

[www.lymenet.org/SupportGroups/Internet](http://www.lymenet.org/SupportGroups/Internet)

This site lists online support groups; some of these are by categorized by location.
